

CAPABILITY STATEMENT

CORE COMPETENCIES:

ARYSE is an orthopedic and performance bracing provider

- We integrate functional stability technology into our performance line products
- We create custom products with patent-pending, 3D scanning technology
- We offer a full range of products that provide pre- and post-injury protection

IFAST®
(internal ankle system)

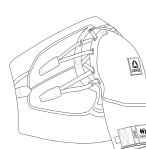

XFAST® VALOR
(external ankle system)

RFAST® 3D
(custom rigid ankle system)

STRATUSFORM™
(3D scanning technology)

SFAST®
(shoulder system)

DIFFERENTIATORS:

ARYSE values innovation

- We actively seek to partner with government agencies, physicians, athletic trainers, and athletes to design products that are focused on biomechanics and the needs of the end user
- We invest time and resources to keep our products current and cutting-edge
